### **About Us**

We are a software and services company, and our clients are primarily but not limited to the Pharmaceutical, Medical device, and Cannabis industry. We offer validation services as well as the sale and implementation of our in-house software Validator, a tool for automation in Compliance. We offer a competitive compensation package with benefits.

### **Purpose**

We are seeking an Automated Software Tester to become an integral part of our team! You will service domestic and international clients, as well as support in-house software.

### **Responsibilities:**

- Conduct software tests and perform software QA activities including unit testing, end-to-end testing, integration testing, performance testing, end-to-end tests for compliance with regulatory requirements and business requirements.
- Previous knowledge of writing all help documents
- Design, develop, document, and maintain software tests (scripts) for compliance with regulatory requirements and business requirements using automated testing tool.
- Maintain automated scripted library.
- Collaborate with product managers to define test strategies for product releases based on customer needs.

### **Job Qualifications:**

- College diploma or bachelor's degree in computer science or a related field
- 4+ years of experience in software testing, preferably in the cloud-based IT industry
- Experience with automated testing tools (e.g., Jira, GitHub, Test automation tools)
- 2 years minimum experience working hands on with Automated Testing Tool for web applications
- 1 year of Computer System Validation experience
- 2 years of Technical Writing
- Experience with test automation frameworks (e.g., GitLab CI)

- Demonstrated ability to work in a fast-paced, team-driven environment and deliver quality products on time and on budget.
- Must be able to work in a hybrid work environment when required.
- Must be able to speak, read, and write fluent English.
- Must be able to create manual test procedures and documentation when required.

**How to apply:**

- Please submit your resume to [careers@complianceassociates.ca](mailto:careers@complianceassociates.ca)

Only those selected to move forward in the recruitment process will be contacted. Please contact [careers@complianceassociates.ca](mailto:careers@complianceassociates.ca) for further information.

*Compliance Associates is an equal opportunity employer and welcomes applications from all interested parties. If for any reason you require accommodation throughout the recruitment process, accommodation will be provided upon request in accordance with the Accessibility for Ontarians with Disabilities Act, 2005, to applicants with differing abilities.*
